

JSAP Kyushu Chapter Annual Meeting 2022
Int'l Session:

The 7th Asian Applied Physics Conference

November 26 (Sat.) – 27 (Sun), 2022

Oita Univ., Dannohara Campus, Oita, Japan

In-person meeting is now back!

The 7th Asian Applied Physics Conference will be held as a hybrid format, i.e., on-site and on-line. Both oral- and poster-session will be held for on-site attendee, while remote oral presentation is possible for on-line attendee. Now the restriction on entry to Japan has been much eased. We look forward to your in-person participation.

Deadline for the submission is Sept. 16, 2022.

Scope:

- Interdisciplinary Physics and Related Areas of Sci. & Tech.
- Ionizing Radiation
- Optics and Photonics
- Thin Films and Surfaces
- Beam Technology and Nanofabrication
- Plasma Electronics
- Applied Materials Science
- Spintronics and Magnetism
- Superconductivity
- Organic Molecules and Bioelectronics
- Semiconductors
- Crystal Engineering
- Amorphous and Microcrystalline Materials
- Nanocarbon Technology
