

Invitation to the 8th Applied Physic Conference

The 8thAsian Applied Physics Conference will be held as a hybrid format, i.e., on-site and on-line. Now the restriction on entry for foreign attendee has been much eased. We look forward to your in-person participation. On-line oral presentations can also be continued, so please consider them as well.

Abstract Submission

Deadline for the submission is **Sept. 15, 2023**.

The abstract must be submitted through following web page.

https://annex.jsap.or.jp/kyushu/conf/koen2023_e.htm

Entry to Japan

Now the restriction on entry for foreign attendee has been much eased. If the third effective vaccination has been completed, it will be possible to enter Japan without any major restrictions. Two major issue is 1) visa application and 2) installation of APP, MySOS, for the fast pass of the quarantine.

We, organizers, can support for the application of visa.

- 1) First we need to register through ELFS by Japanese organizer.
- 2) In order to do so, we need your personal information including passport number, and address, itineraries during your visit to Japan. So, please contact Japanese organizer first directly or through your supervisor.
- 3) After you receive the reception certificate issued by the ELFS, you can apply for your visa at the Japanese Embassy or Consulates or Consular Office of Japan in your country along with other related documents such as invitation letters. Those can be issued by the Japanese organizer.
- 4) You also need to be requested to install MySOS APP in order for the fast track procedure at the quarantine.
