

4th Photonics Workshop

Instruction of Abstract, Short Presentation and Poster Presentation

August 8, 2019

Photonics Division, JSAP

【Style of Presentation】

- Short oral presentation (all poster presenters) (duration: within 3 minutes)
- Poster presentation

【Preparation of Abstract and Slide file of short oral presentation】

Please prepare the following two files:

- ① Abstract (1-page summary): PDF or Microsoft Word
 - A4 size, 1 page (Please download the template from the web-site of Photonics Division, JSAP).
- ② Slide file for short oral presentation: PDF
 - Title, affiliation, and author names should be written in the first slide.
 - Number of slides are less than or equal to 5.

【Submission the Abstract and deadline】

Upload the abstract file ① and Slide file ② (shown above) to the paper submission web site.

Due: November 8, 2019

【Style of Short Oral Presentation】

- Please make a presentation with projecting the slide. Following the program, each presenter takes the rostrum by a sequential order, and show the significance of your work.
- Slide files are prepared in advance by staff.
- The next presenter should stand ready for taking turn smoothly.
- The program is uploaded in the end of November on the website of Photonics Workshop.

【Preparation of Poster】

- Bring your poster on the day of Photonics Workshop.
- After the reception, authors should set-up their posters during the coffee break.
- Poster board size: width 85 cm×height 120cm

【Best poster award】

For excellent posters, the best paper awards are presented to the authors.

【Remarks】

Push-Pins are provided by the Photonics Division.

If you have any questions, please ask the contact address below.
