Call for Papers

10th International Symposium on Organic Molecular Electronics

May 31(Thu)-June 2(Sat), 2018, Sun Messe Tosu

Organized by *The Technical Committee of Organic Molecular Electronics, Electronics Society, The Institute of Electronics, Information and Communications Engineers (IEICE)*

<http://www.ieice.org/~ome/ISOME/Welcome.html>

Scope and Topics: The symposium covers various aspects of organic materials that are related to electronic, advanced device applications, including semiconductors, conductors, optic materials, and biomaterials. Their applications to transistors, memories, displays, photovoltaics, optical devices, energy devices, sensors, bioelectronics, biotechnologies and medical devices. Basic physics and chemistry, material development methods, process technologies are covered in this symposium.

Date May 31 – June 2, 2018

Venue Sun Messe Tosu (1819 Hontosumachi, Tosu, Saga 841-0026, Japan) <https://www.city.tosu.lg.jp/1677.htm>

Abstract Submission: Please submit an abstract (A4 size, either 1 or 2 pages) together with the submission form by e-mail to the program committee of ISOME 2018 (info@isome2018.com) **by February 25, 2018**. The abstract template and the submission form can be downloaded from the ISOME 2018 website.

Registration Fee

Pre-registration (on or before April 17) : JPY 25,000 for a regular or JPY 10,000 for a student
on and after April 18 : JPY 30,000 for a regular or JPY 15,000 for a student

Banquet fee: 5,000 JPY [Registration form and related information are available on the ISOME 2018 website.]

Submission to IEICE Transactions on Electronics

The Institute of Electronics, Information and Communication Engineers (IEICE) Transactions on Electronics announces a forthcoming special section on “Recent Progress in Organic Molecular Electronics and Biotechnology” to be published on **February 2019**. The participants are strongly encouraged to submit their manuscripts either as a full paper or a brief paper of the journal. The deadline for submission is **June 15, 2018**. The papers will undergo regular process of peer reviewing. Please consult the ISOME2018 website: <http://www.ieice.org/~ome/ISOME/Welcome.html>.

Organizing Committee

Chair Naoki Matsuda (AIST)

Vice-Chair Tatsuo Mori (Aichi Inst. of Tech.)

Members Yutaka Majima (Tokyo Tech.), Toshiki Yamada (NICT), Dai Taguchi (Tokyo Tech.), Hirotake Kajii (Osaka Univ.), Toshihiko Kaji (Tokyo Univ. of Agricul. & Tech.), Keizo Kato (Niigata Univ.), Takashi Amemiya (Yokohama Nat. Univ.), Yusuke Aoki (Mie Univ.), Eiji Ito (Shinshu Univ.), Yuko Ueno (NTT), Makoto Karakawa (Kanazawa Univ), Shintaro Enomoto (Toshiba), Takeshi Fukuda (Saitama Univ.), Toshiaki Hayashi (NTT), Takaaki Manaka (Tokyo Tech), Shigeki Naka (Univ. of Toyama), Masakazu Nakamura (Nara Inst. of Sci. & Tech.), Morihiro Saito (Tokyo Univ. of Agricul. & Tech.), Koichi Sakaguchi (Saga Univ.), Masatoshi Sakai (Chiba Univ.), Yoshiyuki Seike (Aichi Inst. of Tech.), Kazuo Senda (Future Ink), Toshihiro Shimada (Hokkaido Univ.), Hidenobu Shiroishi (NIT, Tokyo College), Okihiko Sugihara (Utsunomiya Univ.), Yoko Tatewaki (Tokyo Univ. of Agricul. & Tech.), Kazuya Tada (Univ. of Hyogo), Yumi Tanaka (Tokyo Univ. Sci.), Akira Baba (Niigata Univ.)
